

RECENT OPERATIONS

By Paul Rardin

On March 11, 1924, The Everglades News made its appearance in the Lake Okechobee Region for the first time. For 22 years—despite floods and hurricanes and a war—the paper has been issued regularly each week and has not missed a publication day in the 22 years of its existence.

It has been my pleasure to guide the destiny of The Everglades News through more than half of its 22 years of service. In fact it will be 12 years come August since I took over. In looking back over some of the old files a panorama of astonishing magnitude confronted me. It is hard to believe the many headlines that have been written about the Lake Region during the more than 1,100 publication days The Everglades News has been serving this area. If I had one wish and knew that it was coming true, it would be that 22 years from today I might be editing and publishing The Everglades News.

At the recent Ladies' Night meeting of the Pahokee Rotary club the Woman's club was beautifully decorated with cut flowers. Rotarians and visitors commented very favorably about the intricate flower decorations and the handsome manner in which they were arranged. The flowers were grown at the home of Mr. and Mrs. V. C. Denton on Bacoem Point road and the flower decorations for the special Rotary night were the work of Mrs. Denton.

Community Pool Gets Good Start At Meeting Of Council

A Pahokee Lions club committee composed of Joe Hatton, Rupert Mock, A. J. Gamot and Lewis Friend started something Tuesday night when they secured passage of a motion by the Pahokee city council saying that the council would take over operation of a \$15,000 swimming pool upon completion of it as a community project. The Lions committee assured the council that the city would be put to no cost at all in construction of the pool, with possible exception of the use of some city equipment.

Rupert Mock and Joe Hatton, spokesmen for the Lions group, told city officials that funds would be raised to build the pool through a membership subscription campaign. The campaign already started and will be carried on until the total of \$15,000 is raised. A Pahokee contractor has signified his intention of building the pool at actual cost.

The council, following passage of the motion accepting the pool after its construction, appointed a committee composed of Robert Mackey and Johnny Thomas to work with the Lions organization in perfecting the plans for the pool.

The pool is to be a Pahokee-Canal Point community project, it was pointed out by the sponsors.

SPECIAL SPEAKER

Rev. E. D. Simpson, Dist. Supt. of Alabama, will be the special speaker at the Pahokee Church of the Nazarene, Wednesday, April 3, at 7:30 P. M. He is on a District-wide tour, emphasis being on Sunday School—at least 15 percent increase during the month of April.

Bagdad Pastor To Fill C. P. Pulpit

Rev. C. C. Elland of Bagdad, Florida will be with the Canal Point Missionary Baptist Church next Sunday, March 31, for both the morning and the evening services. Rev. Elland comes to preach before the members and friends of this Church while the Pastor, Rev. J. Richard Heller, is with the Enon Baptist Church near Morganton, North Carolina, in revival services.

JOIN NAVY

Thomas Edward Sullivan and Maurice Wesley Sullivan, sons of Mr. and Mrs. Thomas Edward Sullivan of Pahokee, have joined the U. S. Navy with a boyhood friend, Daniel Webster Harrell, and it is hoped that all three of the boys will serve together through their two year enlistment. They were sworn in on March 19, 1946.

Pahokee Plans To Expand Its Present Water Facilities

Recognizing the fact that existing facilities at the city waterworks plant are inadequate to serve the needs of the community, the City Council Tuesday night took definite steps for the expansion of the plant by asking City Attorney Thadd Whidden to make arrangements for the financing of the proposed expansion. R. S. "Bob" Douthit, tendered his resignation as waterworks superintendent, Douthit was hired as acting superintendent for the month of March with the understanding that the job became permanent if he succeeded in clearing the city water with existing facilities within 30 days.

Paul Rardin appeared before the council with the suggestion that the group pass a resolution requesting the installation of automatic warning light signals at all railroad crossings within the city limits, copies of the resolution to be sent to the Florida East Coast Railway, the U. S. Sugar Corporation and the State Road Department.

C. S. Brown, city recreation director, asked the city to have plans of the new city recreation park drawn up in order that civic groups who are installing recreation equipment at the park will know definitely where their equipment is supposed to be located. A Lions Club committee, composed of A. J. Gamot, Rupert Mock and Joe Hatton, announced to the council plans for installing a swimming pool at the park and requested that the city go on record as being willing to operate and maintain the pool after the Lions build it. The council agreed to this proposition.

Marvin Cowart, reporting for the committee named by the council at the last meeting to investigate street lighting needs, said that 40 additional lights are needed for adequate illumination.

Mayor O. B. McClure's proclamation calling for a city election on Tuesday, May 7, was read and the council named J. B. Elliott, Mrs. Edna Pickett, Mrs. Rhoda Shive and Mrs. V. C. Denton on the election board.

City Clerk W. P. Walker was instructed to ask for bids for the purchase of a new police patrol car.

NEED 40 LIGHTS

City Inspector Marvin Cowart reported to the city council Tuesday night that 40 additional street lights are needed in Pahokee. The council took the matter under advisement and it is expected that the lights will be erected in the not too distant future.

State Will Drain 1400 Acres Prison Farm Land; Ramie

TALLAHASSEE — The Cabinet Tuesday appropriated \$20,000 for drainage of 1,400 acres of land on the State Prison Farm at Belle Glade to fit the land for growing of ramie.

The action was taken after representatives of the Florida Ramie Products Company told Cabinet members their plant needed more raw material than could be furnished by private growers and present State Prison plantings.

Rozelle For Mayor, I. J. Frasure, Jr. For Council Seat

The annual city election in Pahokee is scheduled for Tuesday, May 7, and each week brings forth some new candidates. This week was no exception to the rule. One man offers for mayor and another for councilman.

Frank Rozelle, Pahokee resident for 15 years, this week announces his candidacy for mayor in the forthcoming city election. Mr. Rozelle stated emphatically that he would stand for "a progressive Pahokee."

Mr. Rozelle, during the years he has lived in Pahokee, has been associated the major portion of that time with two concerns—Kahn's and B. Elliott's Ford Agency. There was a period during the war when he was a member of the Pahokee defense workers.

Mr. and Mrs. Rozelle live in their own home on Barfield Highway and have three children. Through the years he has been an active civic worker, being a charter member of the Pahokee Lions club.

Another announcement, of interest this week is that of I. J. Frasure, Jr., who is offering for place on the council in group one. Frank Shaughnessy is the other candidate in group one.

Young Mr. Frasure is a disabled war veteran and spent five years in the service, most of which was in Trinidad and Puerto Rico. At present he is business manager of the Everglades Memorial hospital in Pahokee. He is 26 years old and has lived in Pahokee since 1928.

I. J., as he is familiarly known to his many friends, is a former Pahokee high school football star, having played with the Pahokee Blue Devils during the days when they played big time opposition. He is running on a progressive platform.

Mr. and Mrs. S. T. Mathews returned to their home in Crestview Thursday, after spending part of their honeymoon, visiting his uncle and aunt, Mr. and Mrs. N. A. Springer, in Canal Point.

Red Cross Drive In Pahokee And Canal Point Still More Than \$2500 Shy Of Goal

To You, My Friends:

A few weeks ago I accepted the chairmanship of our annual Red Cross campaign, hoping to lead in a drive that would result in the reaching of our quota of \$4250. At this writing we are just a little under \$1700.

My workers feel their best. I am thankful for their every effort. To be sure, our season is off, also, the community chest program is receiving our attention and wisely so. However, it is the opinion of your chairman that Pahokee, regardless, should go over the top that her reputation of doing for the other fellow will remain intact. Wish we had the time to see you personally. Would you be kind enough to give this your utmost consideration? If you have given, would you give again, even a life amount as one has done? Yes, I'll call if you say so. However, the P. O. will find me a steady visitor for the next few days.

Gratefully,
C. A. Moberg.

Soft Ball Teams To Be Organized

The Red Cross drive in the Pahokee-Canal Point area is still \$2450.00 short of the quota for this area according to an announcement made by Carmen Salvatore, Sr., at the Tuesday luncheon meeting of the Pahokee Lions Club.

Rupert Mock reported that the organization of a local Community Chest is nearing completion with all necessary officers elected and a charter drawn up for approval.

Steve Brown announced that the Lions are organizing a softball team which will play league games this summer with teams now being organized in Canal Point and Bryant. He also said the Pahokee Junior High School will have football team next school year and uniforms for the junior team will be ordered this summer.

At the conclusion of the luncheon Mr. Brown conducted a sports quiz. Alvin Armstrong and John T. Pickett, Jr., were winners.

Pahokee Band Will Play Monday Night At Meeting Of PTA

The largest attendance in the history of the Pahokee PTA is expected Monday night in the school auditorium in view of the program arranged by Chairman Mrs. P. D. Harlow. Under the baton of Robert Lampi, the high school band will present another of its always most acceptable concerts. An additional feature will be the playing of two sight selections. Next week the group will go to St. Petersburg to participate in the all state music festival.

It is the hope of the PTA that all of Pahokee and Canal Point turn out and express in this way the appreciation due the band for the very important part it is playing in the life of the community. Thanks to Mr. Lampi, the added feature of the evening will be the presence of Henry Fillmore, President of the Bandmasters Association of America, who will participate in the festivities of the occasion. When one considers that this association embodies the membership of the leading bandmasters of the nation; it goes without saying that this area is indeed honored at the thought of having in her midst so distinguished a personality.

The surprise feature, not to be mentioned here, will prove of interest to all. The report of the nominating committee will be presented by Mrs. Frank Wilson, chairman. Refreshments, believe it or not, will be served to all. Mrs. H. Barnes, chairman. Rev. C. A. Moberg, president, will preside.

Miss Betty Speer, student at Florida State College for Women, spent the weekend here visiting her parents, Mr. and Mrs. H. L. Speer.

Veterans Bureau Offers Services To Returning Vets

Many veterans returning to this area are unaware that they have a veterans service and information office where they can obtain answers to their many questions regarding civilian life and be assisted in getting things veterans are entitled to. The Veterans Service Office for the Pahokee-Canal Point area, set up by the Palm Beach County Commissioners, is located in the Pahokee City Hall where a genial go-getter, Claude S. Jones, sweats it out every day of the week from 9 a. m. until 4:30 p. m., except Saturday afternoon and Sunday, for the sole purpose of serving veterans in need of assistance of any kind.

For instance, upon returning to civilian life, some of you veterans found that you couldn't get enough sugar for your tea or coffee and didn't know where to get sugar ration stamps. The local veterans office has the blanks needed to get sugar, ration stamps for veterans—just go to the office, have Claude fill out the application blank for you, mail it and within a week you will be able to buy your much needed sugar. (Sorry folks, this service is available to Ex-GIs of World War II only).

And another thing, you veterans don't have to be told how scarce building material is. The local Vets-office has the information and the forms necessary for a veteran to obtain priorities on building materials. This week the government placed a restriction on all new building projects other than homes for veterans, so there is a possibility of your getting that new home before the end of the year.

In connection with building, you may have heard of the civic committee, composed of representatives of various civic groups, that is making an earnest effort to obtain suitable building sites for veterans at a low cost and assist them in every possible way until they have their new homes. This committee has contacted the owners of a tract of land which was judged at the last council meeting as the most desirable for veterans home in the Pahokee area.

Elliott Tells Of State's Program For Ramie Growing

State Representative B. Elliott of Pahokee, guest speaker at the Rotary club, yesterday reiterated his position as being opposed to the State of Florida going into the ramie producing business in competition with the farmer-taxpayer.

A few weeks ago in an exclusive story in the columns of The Everglades News, Rep. Elliott stated that he was unalterably opposed to the State entering into the ramie growing business in competition with local farmers, who are entitled to raise any crop that will prove profitable in this section.

In refutation of Elliott's original statement, State Agriculture Commissioner Nathan Mayo said that the State was only experimenting in its ramie plantings, which now run well over the 500 acre mark. Recently announced plans by the state call for an additional planting of 1400 acres.

Mr. Elliott pointed out in his talk yesterday that Dr. Allan of the Everglades Experiment Station at Belle Glade had told him that five or ten acres would be plenty of ramie for experimental purposes.

Ramie Industry Is In Doubtful Stage Capitol Men Think

WASHINGTON — Department of Agriculture officials say that after 50 years of recurring enthusiasm in Florida about growing ramie, the industry is still in the experimental stage.

Most hopeful angle to current optimism is that several companies — including U. S. Sugar — are putting some money into it in a determined effort to see whether it will work.

Although too early to tell, officials believe that these experiments undoubtedly will show whether the ramie industry through use of machinery can be placed on basis of economic competition with the cotton industry even on a minor scale. There is no doubt it grows well in Florida Glades lands but not very well in sandy soil.

Officials have evidence of ramie promotion going back 50 years but fibre has never been produced in any appreciable quantity. Being more expensive with flax. The new wrinkle is an effort to use machinery. Main source of ramie has been China where cheap hand labor is used. This country couldn't compete with that, past experiments have proved.

In the past manufacturers have apparently found that flax was easier to work.

To sum it up, past efforts haven't worked and officials here have doubts about present ones.

Woman Mechanic In Reconditioning Dept. At Elliott's

At B. Elliott's Ford garage in Pahokee is one department, fenced off from the remainder of the repair department, operated under the supervision of a woman. It is the fuel pump, carburetor and distributor reconditioning department and is under the supervision of Mrs. Frances Marshall, a sister of Mrs. Elliott.

During the war Mrs. Marshall had a lot of experience in welding and when she became a resident of Pahokee she began to make plans to get her hand back into mechanical work. The idea of a woman in the mechanical department of a garage which had been manned by men for nearly a quarter of a century was a bit disturbing when the plan was first conceived. Now, it is a matter taken for granted and an integral part of the garage set-up.

The other morning when this reporter visited the garage, he noticed for the first time a space set apart from the remainder of the garage. Bright red paint decorated the work bench and a bright wire fence surrounded the parts, bench and tools. Inside the enclosure with a distributor torn into as many parts as there are in a distributor, was Mrs. Marshall. With a pan full of gasoline she was brightening the parts, replacing worn ones and in a few minutes she turned out a reconditioned distributor that would be the envy of any man.

From the splendid work being done by Mrs. Marshall and the excellent manner in which Pahokee's first woman mechanic handles her job, it looks like she has become a permanent part of the 23-year-old Ford agency in Pahokee.

Profitable Competition

A hawk, his truck filled with paper and envelopes, was yelling: "Here y're! Box o' paper an' 25 envelopes, on'y one dime."

Another hawk, crowding the first one out of the way, shouted as he pushed a bigger truck: "Five cents—box o' paper an' 25 envelopes! Only one nickel!" The two men glared at each other! The spirit of competition ran high.

Finding the two kinds of paper identical, people bought the cheaper boxes hungrily. The more the dime man shouted, the more of his rival's stock people bought. Finally sales ceased. Everybody had bought enough to last a year. The dime man departed first, the nickel man a few minutes later.

The dime man, waiting around the corner, piled his stock on the other's nearly empty truck and said with a chuckle: "It works fine, Bill, don't it?"—Glades County Democrat.

Climax Of Disasters

Deciding to give his wife a pleasant surprise, Jones took home some flowers and a box of candy. He greeted her: "Jane, you look tired, darling. Slip on your best gown and we'll go to the theatre."

Jane burst into tears, wailing: "Today the baby fell down the cellar stairs. I burned my hand on the stove. The laundry was lost and now you come home dead drunk. I could screeeam!"—Good Humor Book.

Will Shoot Horses For Brain Fever In The Glades Area

If you have horses that have not been inoculated to protect them from brain fever or if they have been treated and a year has passed since the last treatment, it is advisable to protect their health by having them immunized at this time.

County Veterinarian Dr. Buehler will be in the Everglades Wednesday and Thursday, March 27 and 28, to do this work. He will be in Canal Point Wednesday morning, Pahokee Wednesday afternoon, he will be in South Bay and Lake Harbor unless there are so many horses at one of the previous stops that the veterinarian cannot finish quick enough to move on.

All horse owners whose horses need this treatment are requested to have their horses bunched at some convenient place on the above dates and places. This will make it possible for Dr. Buehler to serve as many as possible in a limited time.

For additional information or to arrange particulars call H. L. Speer at 285 Belle Glade.

Collect Garments For War Nations

Mrs. Albert Snyder, at a business meeting of the First Baptist WMU in the church Monday afternoon, reported that the local WMU had collected 97 garments for the relief of citizens of war-ravaged nations. It was also reported that \$51.35 in special offering was raised by the group during the recent observance of week of prayer. A recent \$15 contribution made by the WMU to the building fund of the Baptist Children's Home, Arcadia, was acknowledged with thanks in a letter from the institution read at the meeting. It was announced that the WMU kitchen fund for the new church now totals \$13.75.

The report of the Business Woman's Circle was given by Mrs. L. G. Alderman and the Lottie Moon Circle, by Mrs. W. A. Stevens. Mrs. Snyder and Mrs. Alderman were named on the church flowers committee for the fifth Sunday of this month.

Mrs. Stella Mullis was in charge of the devotional program and Mrs. J. C. Mock, president, presided at the business.

Training Union Obtains Objective

The objective of 100 of the Pahokee Baptist Training Union which meets each Sunday at 6:30, was met last Sunday, thanks to the leadership of Mrs. W. M. Dubose, acting director, and the co-operation of all interested. Two hundred and forty five attended the Sunday School, thereby maintaining the average of 250 for three Sundays. Othan Gilbert is the superintendent.

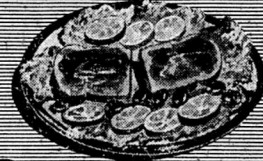

This Sunday morning at the eleven o'clock service, the pastor will continue his sermons on "The Sermon on the Mount", with particular emphasis on Matt. 6:9, "Our Father Who Art in Heaven." Rev. Moberg will render a piano solo, "The Bells of St. Mary's" off the Mathushek grand. The Ladies Quartet will sing. At the evening preaching hour a film, "The Romance of a Century" will be shown.

Bill Bosworth was a business visitor in Clewiston on Tuesday of this week.

Mr. and Mrs. James Boyd of Fort Myers were guests of Mr. and Mrs. L. L. Shirley Sunday.

Cpl. Walter Mizell recently received his discharge from the Army and has now joined his family in Pahokee. He was in the service 30 months and was overseas in the European Theatre for 18 months.

TWO REGIONAL FAVORITES FOR YOUR ENJOYMENT

C CARACAS

RECIPES: Take one 8 oz. package chipped beef; 1 can tomatoes or an equivalent amount in fresh, cooked ones; 1/2 to 1 cup cheese, American or nippy; 1 egg for each person to be served, 4 to 6.
Fry the beef in small amount of butter; add tomatoes and simmer 10 minutes; stir in egg until melted. Just before serving, drop in only for each person to be served; stir vigorously to scramble well. Season with a dash of chili powder and black pepper. Serve immediately on toast, hot biscuits, or rice... along with a fresh green salad and plenty of sparkling, cold JAX Beer on the table. Serves: 4 to 6.

JAX has mailed \$5.00 to Mrs. Oscar G. Rawls, Jacksonville, Florida, for this delightful recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

and a Glass of
Golden JAX Beer!

It's a wonderful meal! Especially when the mellow-rich goodness of the Southeast's grand Drink of Friendship adds extra-refreshment delight.

Insist on JAX... serve it with meals to add a tempting flavorful invitation to truly "good eating." Have JAX Beer during your leisure moments for additional enjoyment. Just by itself, JAX means satisfaction for sure.

In the Southeast, JAX Beer is a favorite... a great brew, designed especially to please the exacting tastes of this region.

Say JAX!
you can't buy

Simonson Circle Has New Members

Mrs. W. H. Brewton and Mrs. Walt Chaney were welcomed as new members of the Simonson-Lair Circle, Pahokee WSCS, at a meeting at the home of Mrs. H. J. Anderson Monday afternoon. Mrs. Robert Walker was a visitor.

Mrs. R. J. Schroder presented a program on "World Order and Peace" and devotionals were led by Mrs. Joe Hatton, assisted by Mrs. Arch Blakey. Mrs. Emma Wheeler and Mrs. T. A. Ferguson were named on the group's visiting committee for April.

Plans were made for an outdoor fellowship party and picnic following the regular meeting at the home of Mrs. I. W. Weeks next month. The committee in charge of arrangements includes Mrs. R. J. Schroder, Mrs. O. B. McClure, Mrs. R. F. Hurt and Mrs. Weeks.

Mrs. McRae Hostess To Missionary Group

The Missionary Society of Canal Point Baptist Church met at the home of Mrs. D. C. McRae on Monday. Plans were made for a group meeting at the church Wednesday evening to make curtains for the Sunday School rooms.

Mrs. Heller reported that Mrs. Johns of the Baptist Orphanage at Arcadia wrote that the Society could adopt Verline McGowan, 12 year old girl. The Society decided to sponsor this little girl and will meet at an early date to sew and plan her wardrobe.

Refreshments of chicken salad and drinks were served to the following, Mesdames, L. V. McClelland, Charles Jones, C. B. Jones, J. R. Heller, M. F. George, G. L. Sims and Mrs. Harrington, Mother of Mrs. McRae.

Pickett Talks To Woman's Club

Major John T. Pickett, U. S. Army engineer who was stationed in China during the war, was guest speaker at a meeting of the Pahokee Woman's Club in the clubhouse Tuesday night. Introduced by Mrs. Orin Bacon, chairman of the fine arts committee who was in charge of the program, the speaker told of his experiences with the Chinese people and had on exhibit at the clubhouse a very interesting display of Chinese art.

Also on the program Rev. Carl A. Moberg played several piano selections and Delorez Williams gave two humorous readings.

Asters were used in decorating the clubhouse for the occasion. Mrs. W. H. Jones and Mrs. Roy Vandegrift, also members of the fine arts committee, assisted Mrs. Bacon in the serving of refreshments during the social hour.

Woman's Circle Hears Mrs. DuBose

Mrs. W. M. DuBose gave a review of "Trail of Blood," a history of the origin of the Baptist Church, at a meeting of the Business Woman's Circle. First Baptist WMU, at the home of Mrs. J. C. Mock Tuesday night.

Mrs. Homer Barnes and Mrs. O. O. Gilbert were named to act as hostesses during the fellowship hour for Intermediates at the church April 7. The circle voted a \$10 contribution to Dorothy Thompson, the local WMU's protegee at the Baptist Children's Home in Arcadia.

It was announced that the next meeting of the group will be held at the home of Mrs. Thurmond Knight on April 9. Mrs. Rupert Mock assisted the hostess during the serving of refreshments.

Danny Mullis, son of Mr. and Mrs. L. M. Mullis, was awarded a \$5 prize given by his teacher, Mrs. Wortham, to the pupil in her sixth grade room who showed the most improvement in their school work during the past six weeks period. Danny not only showed the most improvement but also received the highest average grades of any pupil in the room during the period.

The April meeting of the Canal Point Parent-Teacher Association will be held in the school auditorium on Wednesday, April 3, at 3 p. m. Mrs. F. M. Wilson, president, will call for a report from the nominating committee.

Mrs. John A. Dulany spent the past week at Kalamazoo Heights visiting her son-in-law and daughter, Capt. and Mrs. Sidney K. Smith, and granddaughter, Gloria Miriam, who has been quite ill with the measles.

Bill Shirley and Sam Lovell, students at the University of Florida, spent the spring holidays in Pahokee with their parents, Mr. and Mrs. C. L. Shirley and Mr. and Mrs. Dave Lovell.

Miss Nancy Stevens has returned to FSCW at Tallahassee after spending the spring holidays with her parents, Mr. and Mrs. W. A. Stevens in Pahokee.

Henry Barwick was taken to the Good Samaritan hospital in West Palm Beach on Wednesday for treatment. Henry has been ill for several weeks and a time or two during the past few weeks it looked like he was soon going to be back on the job buying vegetables. Now it will be several days before he is able to be up and around.

Ed Barnes was able to resume his work as salesman at Hull Packing Company this week after being confined to his bed for several days with the measles.

Miss Nell Dunaway, Mr. and Mrs. George Schroder and Mr. and Mrs. R. J. Schroder and son, Bobby, will visit relatives and friends in Miami this coming weekend.

'I believe in putting my store right in my customer's home'

The telephone is more than convenient communication. It is a means of doing business, a way for the merchant to put his store in his customers' homes.

In serving business, the Telephone Company accepts a great responsibility—the obligation to meet every need of the business man who depends on the telephone.

With the Company—as with the corner drug store—earnings are vital to continued success. And because the telephone has become a part of everyday life, telephone earnings are a subject of importance to all.

In 1945, telephone earnings were the lowest in the past 23 years. For 1946, the outlook is for even lower earnings. In keeping with the general trend throughout the country, wages have recently been increased. The cost of everything else going into the furnishing of telephone service is also climbing.

Adequate earnings are a basic necessity to the American way of life. Earnings must be sufficient to enable industry to maintain high standards of service and to attract capital for expansion. As for the Telephone Company, they are indispensable if the full usefulness of the telephone in carrying on the business of the community is to be safeguarded.

Prepare Band For Music Festival At St. Pete April 4-6

Bandmaster Robert O. Lampi has been putting his Pahokee High School Band through the paces for the past six weeks in preparation for the contests at the State Music Festival in St. Petersburg April 4-6. Following the warm-up concert at the PTA meeting Monday night the band will go to St. Petersburg where it will enter three contests, marching, concert and sight reading, and participate in the colorful Festival of States Parade.

Since its organization by Mr. Lampi in the spring of 1940, the Pahokee High School Band has made an outstanding record of achievement. In the following spring of 1941 the band entered contests at the State Music Festival and received first division rating in marching and third division rating in concert and sight reading. The festival contests, suspended in 1942 because of the war, were replaced in 1943 by inspection contests and for three consecutive years, 1943, 1944 and 1945 the Pahokee High School band was given first division ratings in both concert and sight reading for Class C bands. All bands in schools having an enrollment of 250 or less in senior high school are listed as Class C.

The Pahokee band is a very ac-

tive musical aggregation. In addition to its annual series of winter and spring concerts, it plays at football games and other important public affairs. For the past four years, upon invitation by the West Palm Beach city recreation department, it has presented concerts at the Flagler Park bandshell, this year giving two performances in West Palm Beach at Flagler Park and one at the armory.

This year 47 students will take part in the State Music Festival contests including 43 playing members, the drum major and three majorettes. These include clarinets, Eddie Hodges, Milton Carpenter, Margaret Powell, Fay Gilbert, Dickie Atkins, Sidney Caruthers, Blanche Stevens, Frank Tillis, Betty Jo Barwick, Patsy Ann Jensen, Lois Echols, Chandler McIlwain and Edna Jane Elkins; saxophones, Billy Rayvis, Walter Nell Hull, Ina Russom, Nina Russom, Joan Shepard, Betty Jo Bhooer, Gloria Henderson and Peggy Moberg; piccolo, Eddie Stanley; cornets, Murray Weeks, Herbert Walston, Lee Shirley, Frank Gillis, Barbara Wilkinson and Charles Sears; Sousaphone, Frank Rozelle, Jr.; Alto, Horns, Anna Lee Hurt, Betty Batchelor and Myra Lee Cruthirds; trombones, Ray Hawk, Jack Major, Milton Salvatore and Billy Jernigan; baritones, Ray Hattton and Eugene McCall; snare drums, Dwight Geiger and Harlan Sears; bass drum, Max Wilson; bells, Yvonne Fraser; flute, Joy Padgett; drum major, Joan McLarty; majorettes, Phyllis Belk, Louise Elarbee and Joan Wilson.

Nominate deMoya Rotary President

Peter Paul deMoya, Florida Power and Light company manager and president of the Resources Development Board of Palm Beach County, was nominated for president of the Pahokee Rotary club at the regular weekly meeting yesterday.

Other officers nominated were: Orin Bacon, secretary and the following directors: C. A. Moberg, Jack Phillips, Abe Dobrow and Roy Vandegrift. Retiring President Otto Bleech will become an automatic member of the board and the secretary will also be a member.

The annual election will be held in a couple of weeks and the new officer will take office on July 1, 1946.

The training camp is about to open. Several candidates have appeared on the scene and are going through limbering up exercises. The only veteran to show up is Cant. He seems to be in fair condition. Among the beginners, whose qualifications are unknown as yet, are Morgan, Shaughnessy, Davis, Hillier, Lair and Wood. Doubt is reported as being on the way into camp. Murphy seems to be the only hold-out. We need more more candidates to get this ball game started. The season is almost here and we have to have time to practice and work the "charley-horses" out. This ought to be a fine team. Morgan wants to pitch; Shaughnessy wants to play left tackle; Hillier wants first base; Davis is trying for quarterback; Lair wants shortstop; Gant wants to do the receiving (votes). Wood is trying for the hot corner. All we need now is a left fielder, a drawback and one ticket seller.

Prince Theater
Pahokee, Florida
Dean, Abe & Gang;

What we do best is to tell others all about and how to run their business. You offered one hundred dollars reward for information leading to the arrest of individuals who destroy seats in the theater. You are headed down the wrong alley. To begin with, individuals are not tearing up the seats, squirrels are doing it—squirrels raised right here in Pahokee. Little children do not come in that class because their parents have not had them long enough for them to get that mean. The older teen-age group, irrespective of their Pappy and Mamma, have been around long enough to be respectful of other people's property. Therefore they would not lower themselves to the level of an ordinary screwball.

What you are after, Prince Theater Gang, are the parents of the "in-between" group. You offer a "C" note for them and you will be headed for pay dirt. This group are looked upon as nuisances and have to take their wrath out on somebody or something in this world. When you catch these folks have the city judge sentence them to spending thirty-six continuous hours with their children. Now that we got you straightened out, we will be seeing you.

Festival Of States At St. Petersburg

ST. PETERSBURG—Fifty of St. Petersburg's niftiest glamour girls have been chosen as queen candidates for the Festival of States, here, April 1 to 6.

From these 50 girls the queen of the festival will be chosen at the queen's review April 2. Wednesday, April 3, identity of the queen will be revealed at the Coronation Ball, when the queen will receive her crown. On Thursday, April 5, she will lead the grand parade of the states on the City of St. Petersburg float.

From the remaining 49 queens each state will choose a queen. Sixty floats are entered in the parade, and 55 bands, representing the best of Florida's high school talent, will provide a band for virtually every float along the line of march.

Daily concerts at Stewart Field throughout the week assure a riot of color, motion and music as members of Florida Bandmasters' Association drill and maneuver in competition for national championship.

Central Avenue already resembles a canyon of color as the city assumes its fiesta dress for the festival. Exhibition baseball games, both big league and diamond ball by the Kids and Kubs, open air card parties, kiddies parade, and huge displays of fireworks on the waterfront are other

er features of the week of celebration.

Queen of the original festival, Ophelia Gray, now Mrs. Louis Strum, wife of Judge Strum of Jacksonville, has accepted the invitation of the Festival committee to attend the festival as honor guest of the city.

With Governor Millard Caldwell, she will retrace the route of the parade which she traveled as queen of the festival more than a quarter of a century ago.

AT PAHOKEE HIGH SCHOOL

The Pan American Club met Monday night. Due to the fact that the guest speaker, a body from Cuba was not present, we had a business meeting of our club. After the meeting refreshments were served by Lynn Horne and Harlan Sears. The meeting was then adjourned.

The Sophomore Class went hiking the other day, with their chaperones they ventured to St. Lucie, where they enjoyed a picnic lunch, with soft drinks and all that goes with a good ole time picnic.

The few members of the school press club complied to request by the Palm Beach Junior College to send news and pictures from Pahokee High School. We did our best in presenting them with items of interest of our school. We also sent a picture scene from the Junior Senior Banquet. The Palm Beach Junior College is publishing a newspaper called "The Beachcomber". This paper which will be printed only for this month will contain pictures and news from every school in Palm Beach county.

The eighth grade welcomes a new student, Floyd Reeves from Belle Glade. The ninth grade also has a new student enrolled—Julia Pilcher from Panama City, Florida.

We had a number of visitors from the Florida State College for Women, who graduated from Pahokee High. They were: Betty Jean McLarty, Nellie Latham, and Nancy Stevens. We are always glad to have former graduates visit the school.

Cinematic Chatter

By Malcolm Millar

There is a beautiful technicolor show to be seen at the Prince Theatre this coming Sunday-Monday, when "The Spanish Main" moves in with Paul Henreid and Maureen O'Hara as it's principal stars and a cast of the best assortment of Hollywood featured players.

The story is a 17th century saga with modern language in place of the stilted speeches of that period. Paul Henreid, a Dutch sea-captain is captured by a Spanish ship of pirates while he is sailing for America with a ship-load of colonists. The Spaniards torture the sea captain to the extent that he decides on revenge.

He becomes a pirate in his own right when he escapes the Spaniards and captures a ship upon which is Maureen O'Hara, with whom he falls in love.

The story is exciting, romantic and adventuresome, the direction leaves no room for criticism and the acting by the entire cast is faultless. I'm sure you'll like it very much.

The management of the Prince and Everglades Theatres announce a new policy in the booking of screen attractions in the future that I am sure is going to be a lot more satisfactory to all cinema lovers.

Of course with this new change comes added expenses in purchasing, so the price of admission for the adults during the week had to be upped a trifle. The new price will be 44c throughout the entire week, and this includes the tax. Which doesn't make the tariff so high, and, besides, as we have been assured by the management that pictures will be more current and that, and here is good news, the managers have managed to contract with all the major film companies.

So I am sure I speak for the majority when I say, it is not the price that we mind, if pictures are good. Am I right?

See you at the movies—Mal.

Assets of the American Fire and Casualty Company, of Orlando, Florida, increased more than one-half million dollars and the premium writing was up more than \$500,000 in 1945, according to G. S. Bradshaw, vice-president and treasurer.

Of course you wouldn't part with your electric refrigerator for anything in the world... except a newer model, but government figures show that lack of proper care is putting thousands of refrigerators out of service. Call a repairman at the first sign of trouble, don't overcrowd your refrigerator and allow for free air circulation; don't place hot dishes in it and use covered containers for liquids and left-overs; keep the door closed and see that it fits tightly; keep temperature controls no lower than necessary... and you will continue to have modern refrigeration, right on until you too can enjoy the even greater conveniences of the Electronic Age of Tomorrow. Mr. and Mrs. Russell E. Johnson of Pahokee announce the birth of a son, Ervin Eugene, at the Everglades Memorial Hospital on March 26.

Mr. and Mrs. L. B. Cook, Jr., of Belle Glade announce the birth of a son, Ronald Gary, at the Everglades Memorial Hospital on March 26.

CLASS PARTY

The Ready Workers Class of the Pahokee Church of the Nazarenes met at the home of Von Eil Davis for their March meeting. Games were played and those with birthdays were recognized.

At an appropriate time a delicious lunch was served. The St. Patrick theme was used throughout the meeting. Those attending were, Mary Funderburke, Jewel Brady, Celesta Gant, Clara Jo and Joyce Heaton, the honored guest and teacher, Mrs. Frances Johnson. The next meeting will be held at the home of Mary Funderburke.

Easter Seals Are Now Being Sold

TAMPA—The Florida Association for Crippled Children and Adults launched its state-wide campaign for the sale of Easter Seals last week.

Affiliated with the National Society for Crippled Children, the local organization participates in the nationwide program which began last week and continues through April 21.

Those who purchase the colorful Easter Seal in Florida will be gratified to know that this money remains in the State and is used for the aid and rehabilitation of the handicapped in their own county.

MEN'S BIBLE CLASS

A most cordial invitation is extended to the ex-service men of this community, not otherwise affiliated, to attend the Pahokee Men's Bible Class next Sunday to receive as a courtesy of the class a copy of the recently written book "Good-by to G. I." or "How to be a Successful Civilian," by Maxwell Drake, a former serviceman. The Class Quartet will present its usual splendid program. Rep Cowart will direct another of his enthusiastic song services.

The teacher, Rev. C. A. Moberg,

will continue his teachings on "The Children of Israel," presenting what is just ahead for the Jewish people. One time only the Bible speaks of the "Fulness of the Gentiles" and the "Times of the Gentiles". These subjects will be discussed, with particular reference to the accepted false Messiah of the Jew, the Antichrist. All unattached men of this area and visitors will receive a hearty welcome this Sunday, Lions building at 9:45.

Lt. Howard Tiffin, formerly of Pahokee, has arrived in Miami for a visit with relatives there after 18 months of overseas duty in the European Theatre. Howard has re-enlisted for an additional two years of overseas duty in the Army. He will visit relatives in Pahokee before reporting for re-assignment.

Mrs. C. W. Kennen has returned from Miami where she was called recently by the illness of her mother, Mrs. E. O. Murphy. Mrs. Murphy, a former Pahokee resident, was able to be moved this week to Pahokee to convalesce at the home of her son and daughter-in-law, Mr. and Mrs. O. M. (Mack) Murphy.

Baptist Article Of Faith, No. 9 "God's Purpose Of Grace"

We Believe that Election is the eternal purpose of God, according to which He graciously regenerates, sanctifies, and saves sinners; that being perfectly consistent with the free agency of man, it comprehends all the means in connection with the end; that it is a most glorious display of God's sovereign goodness, being infinitely free, wise, Holy, and unchangeable; that it utterly excludes boasting, and promotes humility, love, prayer, praise; trust in God, and active imitation of His free mercy; that it encourages the use of means in the highest degree; that it may be ascertained by its effects in all who truly believe the gospel; that it is the foundation of Christian assurance; and that to ascertain it with regard to ourselves demands and deserve the utmost diligence.

OBSERVATIONS By TURNER ROCKWELL

A bulletin recently issued by the Federal Reserve Bank of Atlanta points to the industrial changes in the South during the war years and calls attention to the possibilities for retention of many of the gains made and the betterment of the economic status of this section.

There has been such a marked development of the industrial phase of the South's economy that we may well look to the future in the full confidence that the South will no longer depend almost entirely on farm products for its livelihood.

In the war period, as the bulletin tells us, there was a notable increase in the number employed in manufacturing as compared to agricultural employment. Not only is this true but many parts of the South that formerly knew little or nothing of manufacturing activity became centers of industrial plants.

For the first time in its history the South finds itself with ample capital to finance both industrial and agricultural expansion.

Indications are that there will be a strong demand for agricultural products for some time and this should give assurance that the farmers of the South will continue to receive favorable returns from their crops.

The South is no longer looking upon itself as unable to fight its own battles and chart its own future. It is awakening and looking to the future with confidence and there is the firm conviction that never again can it be justly referred to as the "nation's economic problem number one." On the other hand, there is good reason to look to the South as the nation's number one opportunity.

AGRICULTURAL NOTES

ORLANDO — Saturday USDA supplemented its 1946 price support program for Irish potatoes by announcing a schedule for f. o. b. prices and other conditions for accepting potatoes under the support program. An earlier announcement (Dec. 7, 1945) covered a schedule of basic support prices which applied only to potatoes

"bulk loaded at the farmer's gate" for U. S. No. 1 quality.

An estimated 34,900 acres of potatoes have been planted in Florida and the Texas Lower Valley for early spring harvest. This acreage is 12 percent larger than the 31,300 acres harvested in 1945 and exceeds the 10 year (1935-44) average by 35 percent. In each state, plantings exceed acreages

expected earlier in the season. Compared with the acreage harvested in 1945, increases of 12 and 10 percent are indicated for Florida and Texas Lower Valley, respectively.

In Florida most of the acreage planted for harvest in early spring was in very good condition about March 1, with the acreage in the Hastings area off to a good start.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old-fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

Vegetable Men Lay Plans For National Meet In Palm Beach

Some thirty members and guests attended the March meeting of the Glades Branch of the National Wholesale Fresh Fruit and Vegetable Distributors Association at the Lions club in Pahokee Tuesday night, with President Roy Segree presiding. The company enjoyed a delicious fried chicken dinner.

President Segree announced that the invitation of the Branch to hold the national convention in Palm Beach next January, had been accepted by the National Advisory committee.

To carry out the work of the convention the president named the following committee chairmen, who will select their assistants:

General Chairman, Roy Segree, Pahokee.

Registration, Harold Rabin, Belle Glade.

Finance, Frank Dooley, Belle Glade.

Banquet, B. Lee Hayman, Belle Glade.

Entertainment, L. J. Frazer, Pahokee.

Transportation, C. A. Thompson, Belle Glade.

Get-together Party, W. L. Duncan, Canal Point.

Ladies Entertainment, Mrs. E. L. Pope, Pahokee, and Mrs. O. G. McWhorter, Belle Glade.

Housing and Reception, E. L. Pope, Pahokee.

Souvenir Program, E. A. McCabe, Belle Glade.

President Segree has named the following standing committee chairmen for the Branch: Executive, Harold Rabin; legislative, L. L. Stuckey; membership, J. H. Barwick; nomination, E. A. McCabe; publicity, Lester Duncan; transportation, H. J. Clause; councillor, W. C. Lord.

The firm of E. H. Borchardt of Belle Glade was elected to membership in the Branch.

Holland Covers Third Of State In Campaign Tour

BARTOW, March 27.—When he speaks Saturday night at 8 o'clock in the courthouse square in Tampa, Spessard L. Holland, candidate for the United States Senate, will have covered one-third of the State in two weeks of intensive campaigning.

Pleased with the hearty welcome he received on his swing into North and Central Florida, Florida's Wartime Governor will return to Bartow briefly Sunday before turning toward the middle East Coast and the lower ridge section where he will speak in a dozen counties during the coming week.

As during the first week of the campaign, Holland this week was met at all stops by old friends and associates of the days when he was a member of the State Senate and when he was the State's Chief Executive.

Hearty applause greeted the candidate when he declared his belief that "we must also insist on maintaining our military power on a basis so strong that we could immediately defend ourselves against all possible aggressors." He went on to express the hope that "it may be possible and safe, after the organization for world peace has gone much farther than it has yet advanced, to further reduce our military might, but certainly it would not be safe for us to do so while the world is in its present confusion."

The man has served his nation, County and State as soldier, Prosecuting Attorney, County Judge, State Senator and Wartime Governor over a period of 25 years, showed the wide variety of his experience in the careful analysis he presented of post-war problems and suggestions for their solution.

The production of Angora wool is estimated at about 24 million pounds annually.
